

Innovators and Pioneers in Food Science

Give each student an “Innovators/Pioneer in Food Science” worksheet. Use the “Pioneers of Food Science” list to have students select a pioneer to research. Students may use classroom resources, textbooks, or the internet to complete the worksheet.

Have students present their innovator and pioneers contributions to the field of food science to the class.

Name: _____

Period: _____

Innovator/Pioneer in Food Science

Person(s): _____

Year(s) of contribution: _____

Contribution: _____

Area of Food Science: _____

Sources: _____
