

FCCLA Planning Process In-Depth Instructions

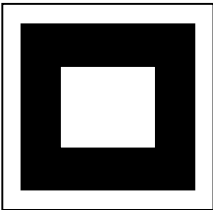

Identify Concerns

- Brainstorm concerns
- Evaluate listed concerns
- Narrow to one workable idea or concern

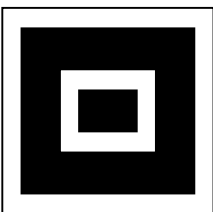

Set Your Goal

- Get a clear mental picture of what you want to accomplish
- Write it Down
- Evaluate it
- Example: “We want to better understand...” “We hope to broaden people’s knowledge of...” “When we present our STAR event, we want to provide people with (information, facts, data, knowledge) about...”

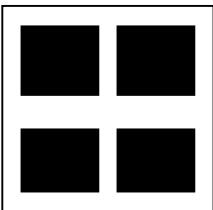

Form a Plan

- Plan how to achieve your goal.
- Determine answers to the following:
 - Who: Who are you targeting? Presenting to? Who will do what?
 - What: What items need to be completed? Made? Planned for?
 - Where: Where will you present? Where will work get completed?
 - When: When do things need to be done by? What are your own deadlines to be able to complete on time?
 - Why: Why is this concern important to you? Why is it important enough to share with others?
 - How: How are you sharing your information? How will things be made?

Act

- Identify the steps you took to carry out the project.

Follow Up

- Evaluate Project.
- Make improvements to presentation based on feedback.
- Thank people involved
- Recognize participants
